(1.) Ursuline welcomed the newest members of the Alumni Association at the Annual Commencement Exercises. Honorees included Richard Weitzel, Sophie Alper, Sarah Skiver and Katharine Repetski. Ricky and Katharine were Co-Valedictorians; Sophie and Sarah were Co-Salutatorians.

(3.) Ursuline hosted a blessing and dedication of the renovated cafeteria in honor of the O’Horo Family, the lead donors on the project. The renovation includes new furniture, walls, ceiling, LED lighting, stage and floor, asbestos removal, HVAC improvements, new doors and the addition of a handicapped-accessible ramp. We are most grateful to the O’Horo Family for their continued support.

The Class of 2018 crossed the stage at Stambaugh Auditorium on May 27th and became members of the Alumni Association. On June 7th, the class of 2022 began their Ursuline journey as they enrolled in their first high school class: summer gym. And so the baton is passed from alumni to students who have their own role to play in Ursuline’s enduring 112-year story.

Our alumni have reason to be proud of “the Academy,” as former Principal Monsignor John P. Ashton (’48) fondly referred to Ursuline. If your summer travels find you in Northeast Ohio, you are cordially invited to visit and see for yourself. We will gladly take you on a tour to see the many improvements, help you locate your old locker and reminisce with you about your Ursuline experience.

Ursuline’s summer hours are Monday-Friday, 8 AM-3 PM. Your life’s journey may have taken you far from 44505, but you are always welcome ‘Home.”

Seated: George Banks ’56.
Alumni from 1966 and 1967 visited Ursuline recently for a tour. They saw first-hand, the renovated science wing, cafeteria and more. While at UHS, they met their former Latin teacher, Mr. George Banks, who stopped by the Alumni Office to work on his reunion.

Another Record-Setter
The Annual Appeal has broken another record for the 7th consecutive year. We have surpassed our budgeted goal of $110,000 by 22%. Thank you to the many alumni, parents and friends who donated to this fund. As of June 5, 2018, the Appeal raised $140,161.95. Our fiscal year ends June 30th. You still have time to give your gift. May we count on you? Give in honor of Ursuline High School’s 110th graduating class. Thank you. Soli Deo Gloria!
Spotlight on Faculty

Two veteran teachers and familiar faces retired from Ursuline High School when the final school bell rang on June 1st. Mary Bess George ('74) and Edward Victor have been members of the Ursuline Faculty for a combined 66 years. In recent years, they began teaching the children of their former students from the early days of their careers which began in the mid-80s. As their teaching careers drew to a close, we asked them to reflect on their Ursuline days.

Mary Bess George joined the staff at Ursuline in 1985. She holds both her Bachelor of Science and Master of Science degrees in Education from Youngstown State University. During her tenure she taught Film Study, British Literature, Honors British Literature, World Literature and American Literature (only once!). She has served as the advisor to the yearbook, newspaper and literary magazine staffs as well as to the Academic Challenge Team, Senior Class and the Students of Stewardship. She is the recipient of the Golden Apple Award through the generosity of the Donahue Family Foundation of Pittsburgh which honors outstanding individuals who teach in Catholic schools.

What is your fondest memory of Ursuline?
There are too many to list just one! I have attended countless dances, plays and sporting events and enjoyed all of them. But what will stay with me, though, is the memory of the people who have come into my life: students, teachers and staff who have become my friends and make Ursuline the special place it is.

What are the biggest changes that you observed?
The explosion of technology, the Internet and social media have changed education.

What are the best aspects of the Ursuline tradition?
The best aspect of the Ursuline tradition is that it gets passed from one generation to the next. Even as times change we continue to hold on to the things that make Ursuline unique and we see our present-day students carry on the legacy of Ursuline.

Ed Victor, who earned his Bachelor's and Master's degrees at YSU, came to UHS in 1985 after teaching at Princeton Junior High, Saint Stanislaus Kosta and Saint Dominic School for a total of nine years. He succeeded long-time art teacher, Sr. Alice Marie Morley, OSU. He said, “We became good friends. It was an honor to follow such a dedicated educator and Ursuline legend.”

His teaching course load has included Art I, II, III and IV, Ceramics I and II as well as Multi-Media Art. Ed has also advised the Art Club, Yearbook staff, and even served as coach of the Tennis Team.

What is your fondest memory of Ursuline?
Our liturgies and prayer services where we worship together and celebrate our Catholic faith and heritage. The remarkable support and dedication of alumni that keep Ursuline strong and allows many to have the privilege of a Catholic High School education. Ursuline is a family of faith believers (in the spirit of Saint Angela Merici). We reach out to the needs of our community. We teach our students to give of their God-given abilities and talents.
What are the biggest changes that you have observed?
The physical transformation of the campus and the diversity of the student population. Ursuline has become a showplace in the Youngstown community and continues to grow and meet the needs of its student body thanks to the dedicated alumni and friends of Ursuline.

Mr. Victor has received many honors including receiving the Golden Apple Award, recognition as an Outstanding Art Educator by both the Ohio Arts Council and the National Scholastic Art Association. For 26 years, he served on the Northeast Ohio Regional Scholastic Art Board and is its past chairperson. He was the first chairman of the Fine Arts Department and an original member of the Alumni Quarterly Board.

Other faculty and staff retiring this year include Mrs. Jan O’Neill. Jan taught for 31 years in the Diocese of Youngstown; for the past six years, Jan has been a member of the Art Department.

Lori Cocucci Bagnola ('73) is retiring as the Guidance Counselor. She joined the Ursuline staff in 2015 after having worked for the Youngstown City Schools for 29 years.

The Ursuline Family thanks Mary Bess, Ed, Jan and Lori for their commitment to Catholic Education and years of service. We wish them all the best as they begin this new phase in their lives.

This year marks the 60th Anniversary of the Ursuline vs. Mooney Football Game. A football program from the ‘70s describes the rivalry like this: “It begins, as it always has, on a crisp day in fall. Signs will read ‘Stew the Irish’ and ‘Shuffle the Cards.’ Rallies, dances and bonfires will occur in advance of the great contest. It is a time to recall the special spirit of participation and pride that best describes this series’ remarkable vitality. That memory ultimately belongs to anyone who ever felt himself a part of Ursuline or Mooney.”

“The first game at South Stadium, of course, is legend. Nine thousand stunned fans witnessed John Hudzik’s fledgling Cardinals pull off the impossible by upsetting Tom Carey’s Irish with an 8-6 triumph that warned future prognosticators to throw out the record books when these two foes get together.”
Tentative Festivities Include:

- **Thursday, October 18th** - Pep Rally - alumni players and coaches will be special guests. A commemorative “throw-back” jersey will be available for purchase.

- **Friday Afternoon, October 19th** - Super Family Tailgate Party beginning at 5:00 PM in the Bryson Street Lot. All alumni are invited to join us for food, fun and music. We’ll walk to the game following the marching band.

- **Friday Evening, October 19th** - The Game - Kick-off is at 7:00 PM. UHS is the home team.

**The Ursuline Irish Terriers? How Ursuline Almost Lost the “Irish” Nickname**

Ever since Ursuline became involved in inter-scholastic sports, it has been known as “The Irish.” Perhaps it was a natural outgrowth of the association of “Irish” with “Catholic,” even though the Ursuline Order was founded by an Italian nun and established in this country by the French.

In the 1930s there were voices of dissent by some of the non-Irish families who resented the name. An ad hoc committee was formed to consider ethnically-neutral names. They compromised on a new nickname: the Irish Terriers. Principal Father Conry gave his approval and set up a meeting to inform the Press. Frank Ward, Sports Editor of the Vindicator said, “Gentlemen, you can use any nickname you want but as long as I’m the Sports Editor, Ursuline will be known as the Irish.” That was end of the Terriers. The Irish had survived.

**1958 Game Trivia**

- Ursuline was a member of the City Series Conference
- It cost 25 cents to buy the football program
- The Irish offense was the single-wing which featured a power running game

Last year, through this column, Ursuline alumni and friends helped fund a need for 30 new teacher podiums in all our classrooms with targeted donations of less than $1,000. This summer I ask you to consider one (or more) of three significant needs at our alma mater. You can help us transition both our band program and science department from the old to the new.

The band is beginning a drive to replace its care-worn 18 year old marching uniforms. Our Irish musicians look to once more represent Ursuline proudly at football games, parades and competitions, wearing a smart contemporary design that costs $500 per uniform.

Any donation that purchases the replacement of a complete band uniform will be recognized with a “whole note” supporter listing on a plaque which will hang in the band display case. $250 donors will be known as “half note” supporters. $125 donors will be called “quarter note” supporters. Please send your donation to Mr. John Peplowski, Director of Music at UHS, if this cause catches your fancy. Band alumni - take special notice! This drive intends to replace 100 uniforms in a wide array of sizes.

Separately, our biology/anatomy classrooms are in need of two essential teaching resources:

First, we must replace the school’s vintage 1955 human bone skeletons with eight new molded-resin skeleton models, each of which will cost $700. I hope our “medical” alumni - doctors, nurses, administrators and technicians - can recognize the opportunity to...
As my time in college draws to a close, I have the great privilege of reflecting back on my time at Ursuline which helped set me up for success as a student, a professional, and most importantly a person. Ursuline’s rigorous academic environment and large selection of Advanced Placement classes provided me with a seamless transition into my coursework as a Policy Analysis and Management major at Cornell University. During my time at the U, I was involved with a wide range of extra-curriculars from marching band to speech and debate. My experience both in and outside the classroom enabled me to excel as a leader and contribute to my campus through Greek life, student government and academic research. At Cornell, I was happy to discover a passion for transportation and infrastructure, and I am excited to be starting my career in infrastructure finance next year in New York City.”
