Date due: First day of class August, 2022 .

Dear students of AP Spanish Language and Culture, ¡Bienvenidos a la clase de español!
You have chosen to take a rewarding and challenging AP course next year. I welcome you in this journey in exploring six major themes of study.

Themes for AP Spanish Language and Culture:

1. Beauty and Aesthetics
2. Global Challenges
3. Science and Technology
4. Families and Communities
5. Personal and Public Identities
6. Contemporary Life

You have two options. Choose one:

1. Become an expert on one country. You will choose one Spanish speaking country. You will read 1 article per each one of the AP Spanish Themes. (Total 6 articles). For example, any article on art, music, architecture, fashion, design, will be under Beauty and Aesthetics. Any article on customs, values, education, social networking, human geography, will be under Families and Communities. Any on alienation and assimilation, heroes and historical figures, national and ethnic identities, personal interests, self-image, will be under Personal and Public identities. Please do not choose more than two articles on the same topic.

Prepare a short summary in Spanish of each article (8-10 sentences). Make a list of important vocabulary words (5-8) and their translation in English. Print a copy of the article and be sure to include the reference from where you obtained the article.

You can submit on paper (typed please) or submit the documents online on google classroom.
