

Honors Biology Summer Assignment  
 2020-2021 School Year  
 Ursuline High School - Miss Raab  
 sraab@youngstowndiocese.org

**Part 1:** Edpuzzle Assignment –Edpuzzles are videos you will be required to watch. You will also have to answer questions on the site as you move through the videos. To log on to the EdPuzzle site, you will need to go to EdPuzzle.com. In the top right corner of the site, select “sign up.” You will then “sign up as a student” by following the directions. **MAKE SURE YOU USE YOUR FIRST AND LAST NAME WHEN CREATING YOUR ACCOUNT.** If you use a nickname, I will not be able to give you credit for the work. You will be asked for a class code in order to get to the Honors Biology class, the code is: cawesez. The EdPuzzles will be posted for students to access by July 1<sup>st</sup>. The EdPuzzles must be completed by the first full of classes. You will not need to submit anything to me in class, I will be able to view your progress through the EdPuzzle program.

**Part 2:** You need to study these common science prefixes/suffixes. You will see these on a quiz within the first few weeks of the school year. I have these terms in a Quizlet as well. If you would like access to the Quizlet, search Quizlet for “Honors Biology – UHS – 2021” and request to join the class. I will approve your access once I receive your request.
